diary of thoughts start with why by simon sinek a journal for your thoughts about the book is a journal designed for note taking designed and produced by summary express with blank lined pages in a simplistic yet elegant design this journal is perfect for recording notes thoughts opinions and takeaways in real time as you read divided into sections and parts for easy reference this journal helps you keep your thoughts organized disclaimer notice this is a unofficial journal book and not the original book

leaders eat last why some teams pull together and others don't is the much anticipated sequel to the global best seller start with why by simon sinek this book talks about how great leaders sacrifice their own comfort for the good of those in their care with the help of numerous intriguing examples the author attempts to prove that the best organisations foster trust and cooperation as the author points out this book is not a management theory but it actually a biological one individuals thrive only when they feel safe among a group

summary of leaders eat last why some teams pull together and others don't a comprehensive summary part 1 first job to do is to make people feel safe the first part of the book and the first chapter is about providing cover for your people since people within a team push hard and take risks one of the most important things a leader needs to do is to provide cover for them the truth is that the world is filled with all kinds of dangers because of that the very first thing a leader should do is to create something the author calls a circle of safety this circle of safety should then be expanded as time passes after the short intro the author explains four main chemicals that human bodies automatically generate each of these chemicals is then explained so that the readers know what each of them does to a human body the first is endorphins these chemicals make us feel good when we work out and when we push hard the second is dopamine dopamine generates a sense of accomplishment when we do certain things serotonin gives us a sense of pride when other people admire and love what we do oxytocin gives us a feeling of friendship love and deep trust the thing with our bodies is that it is natural for them to crave endorphins and dopamine these two hormones motivate us to do something however these two chemicals should not be the only chemicals our bodies crave if that is the case then we become

cold blooded in pursuit of our goals there are two to be continued here is a preview of what you will get a full book summary an analysis fun quizzes quiz answers etc get a copy of this summary and learn about the book

simon sinek decoded author and inspirational speaker written by success decoded not written by simon sinek learn about themes like finding purpose how to become a good leader focusing on what you want infinite games you will also learn the following learn how to be consistent passionate and helpful discover what type of person are you how to be your best self and what s your peak performance find your why become a great team player and reach your goals you will discover his answers to all of these questions leadership how to be a great leader hot to not letting anyone down including yourself why consistency leads to passion how to help a business become really innovative is the purpose of a company to make money how to be a visionary how to make a message clear how sharing your vision with others can help you find your why what distinguished the world s best teams habits are you addicted to your cell phone why you should help others tools for personal development how to really focus on what you want how your interpretation of reality affects how you feel how to check for your blindspots why inspiration is better than motivation personality what are the two kinds of people what s the difference between an introvert and an extrovert is trust more important than performance so get started right now pick simon sinek s brain and level up
